

Graceful Living begins here

Meet Roger

During his 39 year teaching career, Roger was a PA announcer for football and basketball. He also was a referee of boys and girls basketball. After retiring, Roger and his wife, Thelma, moved to St. Cloud, Minnesota. They were very excited to be so close to St. John's University and quickly became super fans. They even decorated a bathroom in Johnnies colors and fan memorabilia. Today, Roger is still a super fan, attending many games throughout the season.

We are proud Roger calls Good Shepherd *home*.
