HARVESTING GOOD
Fund Options

The Good Shepherd Community has many needs you can help meet:

General Fund – Greatest Need Unrestricted
One never really knows what the Good Shepherd Community will need next. A pool of funds not restricted to one purpose gives us the flexibility to meet community needs whatever they may be and whenever a need arises.

Shepherd of Grace Fund
To assist the Becker campus, this fund will offer resources for their specific needs—just as we do in other parts of the Good Shepherd Community. This fund may support events, activities, equipment or improvement to amenity areas that enrich the lives of our tenants.

Campus Wide Activities
Without the wonderful activities lovingly and creatively provided by Therapeutic Recreation, residents and tenants lives would be dull and lack color. Contributions to this fund helps ensure that cost does not get in the way of giving residents a strong, regular dose of energy, vitality and fun campus wide!

Community Gardens
Gardens require tender love and care. This fund will support the needed upkeep to ensure the garden spaces annually offer welcoming and well-kept outside places of reflection, prayer and conversation for all to enjoy!

Resident Personal Needs
All Resident needs are important! If providing a resource to meet a resident need can enrich their life, this fund offers that opportunity. Consider a contribution to this fund if you want consideration of a personal item to be granted for a resident that would benefit.

Chapel
This fund helps promote spirituality of residents, tenants, families and guests.

Memory Lane (Nursing Home)
This fund helps make needed improvements in programing and ensures a home-like atmosphere extending compassion, comfort and quality skilled care to residents with memory loss.

Emergency Assistance Program
Everyone in a community needs a little help now and again. Having somewhere to turn when we get behind with our bills or face an unexpected emergency really helps ease the stress so we can focus on what's important—God, family and our work in the GSC. This program provides loans and grants to those in our community who need a helping hand.

All contributions, regardless of the amount, are appreciated beyond measure…

Thank you for your generosity!
