## GSC Employee Contribution Form 2025 Campaign

**The Good Shepherd Community has many needs you can help meet:**

### **General Fund – Greatest Need Unrestricted**

One never really knows what the Good Shepherd Community will need next. A pool of funds not restricted to one purpose gives us the flexibility to meet community needs whatever they may be and whenever a need arises.

### **Shepherd of Grace Fund**

To assist the Becker campus, this fund will offer resources for their specific needs—just as we do in other parts of the Good Shepherd Community. This fund may support events, activities, equipment, or improvement to amenity areas that enrich the lives of our tenants.

### **Campus Wide Activities**

Without the wonderful activities lovingly and creatively provided by Therapeutic Recreation, resident and tenant lives would be dull and lack variety. Contributions to this fund help to ensure that cost does not get in the way of giving a strong, regular dose of energy, vitality, and fun campus wide!

### **Spiritual Care**

This fund helps promote spirituality of residents, tenants, families, and guests.

### **Resident Personal Needs**

All Resident needs are important! If providing a resource to meet a resident need can enrich their life, this fund offers that opportunity. Consider a contribution to this fund if you want consideration of a personal item to be granted for a resident that would benefit.

### **Memory Care Cottages (Housing)**

This fund helps keep that warm, at-home feel of the cottages by providing funds for chairs, carpeting and other things all households need to replace from time to time.

### **Memory Lane (Nursing Home)**

This fund helps make needed improvements in programming and ensures a home-like atmosphere extending compassion, comfort, and quality skilled care to residents with memory loss.

### **Emergency Assistance Program**

Everyone in a community needs a little help now and again. Having somewhere to turn when we get behind with our bills or face an unexpected emergency really helps ease the stress so we can focus on what's important—God, family and our work in at GSC. This program provides loans and grants to those in our community who need a helping hand.

***All contributions, no matter the amount, are appreciated beyond measure!***

**Thank you for your generosity!**
