Good Shepherd Community Emergency Response Program

The Emergency Response program, at both Good Shepherd and Shepherd of Grace campuses, is a wireless call system that allows you the freedom to continue doing the things you love to do in your apartment or suite. It can be very comforting knowing that someone will be there in an emergency.

Emergency Response offers many features and benefits, allowing you the freedom ofmobility within your apartment or suite.

- Dependable on-site staff respond 24/7, and assist with calling family, friends, or 911 in an emergency
- Water resistant pendant on a lanyard or a wrist band
- Daily verification check
- Freedom to move about your apartment or suite
